

The primary aim of The Lord's Taverners is to raise money through membership subscription, sponsorship, activities and donations. Our financial disbursement program is balanced across several worthy causes including the provision of sporting facilities equipment and opportunities for underprivileged and/or disadvantaged young people. These young people may be disadvantaged by financial constraints, geographical isolation or a physical or intellectual disability.

MEMBERSHIP APPLICATION

Subscription year is from 1 July to 30 June the following year. New members joining between January and June receive complimentary membership for the remainder of the financial year and your membership fee covers to 30 June the following year.
