

The Lord's Taverners give the young and disadvantaged a sporting chance. Our programs include awards for the 'spirit of cricket' and developing cricketers, support the development of women's and indigenous sport and reach out to young people with physical and intellectual disabilities across a range of sports. We raise funds for these programs through membership subscriptions, tax-free donations, sponsorships and fundraising activities.

### MEMBERSHIP APPLICATION

The subscription year is from 1 July to 30 June the following year. Members joining between January and June receive complimentary membership until 30 June.
